All maintained school governing bodies, under [section 538 of the Education Act 1996](#) and academy trusts, under the [Academies Financial Handbook](#) have a legal duty to provide the governance information as detailed above.

Occasionally we may also process governor information in situations where:

- we have obtained the data subjects consent to use it in a certain way
- we need to protect vital interests
- we need to process the data to comply with our legal obligations.

We collect personal information via the Declaration of Eligibility form with other pre-appointment forms. Governor data is essential for the school's operational use. Whilst the majority of personal information you provide to us is mandatory, some of it may be requested on a voluntary basis. How Government uses your data

The governor data that we lawfully share with the DfE via GIAS:

- will increase the transparency of governance arrangements
- will enable schools and the department to identify more quickly and accurately individuals who are involved in governance and who govern in more than one context
- allows the department to be able to uniquely identify an individual and in a small number of cases conduct checks to confirm their suitability for this important and influential role

Data collection requirements

To find out more about the requirements placed on us by the Department for Education including the data that we share with them, go to <https://www.gov.uk/government/news/national-database-of-governors>

Note: Some of these personal data items are not publically available and are encrypted within the GIAS system. Access is restricted to a small number of DfE staff who need to see it in order to fulfil their official duties. The information is for internal purposes only and not shared beyond the department, unless the law allows it.

How to find out what personal information DfE hold about you

Under the terms of the Data Protection Act 2018, you're entitled to ask the Department:

- if they are processing your personal data
- for a description of the data they hold about you
- the reasons they're holding it and any recipient it may be disclosed to
- for a copy of your personal data and any details of its source

If you want to see the personal data held about you by the Department, you should make a 'subject access request'. Further information on how to do this can be found within the Department's personal information charter that is published at the address below:
