

Pupil Premium Strategy Statement

Reporting on 2022/23 and planning for 2023/24

BERRYNARBOR VC Primary

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

We aim to enable children to 'keep up' and not 'catch up'. We believe in equal opportunities for all, where aspirations and expectations are set highly for everyone. Our use of the pupil premium funding supports excellent teaching and learning. In addition, emotional and wellbeing support (where needed) and enrichment opportunities. Our ultimate objective is to ensure all children reach their full potential, to become the best they can be, ready for the next stage of their education.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	We have seen an increase in children with Social Emotional and Mental Health needs.
2	Supporting children's attainment at every level in core areas with a specific focus in English and Maths
3	Many pupils are unable to access extended services and enrichment opportunities.
4	Some families and children need pastoral support due to lack of engagement with a child's learning.
5	Some home environments do not support learning digitally at home and some children experience rural isolation
6	Attendance remains a key focus

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Children with PP and SEND identified early to ensure targeted intervention and specialist support implemented early to help close the gap.	Attainment gap for PP and SEND children reduced.
Children's outcomes in the core subject areas of English and Maths inline with national expectations. All children make good progress.	Children will make good progress and outcomes will improve. Increased levels of confidence and participation in class.
To ensure pupil premium children are able to access an enriched curriculum inside and outside of the classroom through funding with extended services and music tuition. Children will be active and enthusiastic about their learning.	Increased participation. All children who want to attend trips and learn a musical instrument have been able to. Children have an enthusiastic approach to their learning. Children will have improved self-esteem, social skills and social inclusion. All PP children have a chance to shine
Pastoral support for student, family support, safeguarding, attendance and punctuality, multi-agency link and Early Help.	Families able to access support needed. Partnerships with parents will support children's learning
Children supported to work digitally at home, ensuring their home environment is suitable to continue learning.	Children will be able access online provision to support learning in school

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £8000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Additional 1:1 and small group teaching - teacher to work with individuals and groups. KS2 focus on reading, writing and maths KS1 focus on Early reading	<i>'Good teaching is the most important lever schools have to improve outcomes'</i> This approach has been used in previous years to support children to make good or better progress. Teachers use this time to pre-teach or revisit concepts. Termly Assessment and Pupil review meetings enable teachers to identify support needed.	2,

Additional TA support provided targeted support for individuals and groups KS1 focus - Early reading and Speech and language	Pupil Review meetings and termly assessment highlight 1:1 and small group work needed for targeted and specific support.	1, 2
Values: confidence, curiosity and endurance		

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £4000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Specialist support through Pastoral Co-ordinator role to engage with children & families.	Pastoral coordinator role has been in place for the past 5 years to ensure better outcomes for pupils. This role has supported many families to access the support needed to enable them to engage fully with school.	1, 4
CPD and training for pastoral coordinators.	Emotional Logic training	1, 4
