

School Improvement BIG MOVES 2025/26

<u>Big Move 1</u>	Foster a stable and structured learning environment by implementing consistent routines, expectations, and instructional practices across classrooms.	• Calm & structured classroom environments • Predictable routines • Consistent behaviour from adults and children
<u>Big Move 2</u>	Cultivate learner resilience and independence to enhance engagement, deepen understanding, and raise the overall standard of learning.	• Strengthen procedures for writing • Technology to support teaching & learning – especially SEND • Strong culture of reading across the schools
