What kinds of SEND do pupils in the school have?	West Down Primary School and Berrynarbor C of E Primary School are small mainstream primary schools. Both of our schools are fully inclusive of children with Special Educational Needs and Disabilities (SEND). The school caters for a range of SEND needs; including SEMH, Cognition and Learning, Communication and Interaction and Physical/ Sensory difficulties. Children are taught in mixed age classes at both schools. Our Vision at West Berry Federation: <u>Being the best we can be; committed to making a difference.</u> ‘Pupils with special educational needs and/or disabilities (SEND) work alongside their peers. Staff know pupils with SEND well. Staff are well informed and have a strong understanding of pupils’ needs. As a result, learning is tailored to meet the needs of pupils so that pupils with SEND achieve well’. Ofsted Jan 2024	The kinds of special educational needs for which provision is made at school

How do you know if a pupil needs extra help? 1. How does the school track pupil progress? 2. What systems are in place to quickly respond to difficulties in learning? 3. What systems are in place for spotting pupils who may have unidentified needs? 4. Does the school use any particular screening tools/assessments? 5. How does the school decide when a pupil is having difficulties accessing learning?	- Teachers track pupil progress each half term, completing a class tracker sheet. These are completed using a range of information from teacher assessments to formal testing. Concerns about pupil progress are raised by the class teacher to Unit leaders and the SENDCO. - In discussion with the Class teacher the SENDCO and other staff may use a range of assessments/ screening tools to identify areas of need. - Teachers use the ‘West Berry SEND Flowchart’ to follow a step-by-step approach when identifying additional needs, this ensures nothing significant is missed. - Children are considered to have a SEND if they have been identified as working below ARE and are struggling to make good levels of progress and/or children who have a need in one or more of the four areas of need. - At West Berry Federation we use the following screening tools and assessments: <table><tr><th><u>Communication & Interaction</u></th><th><u>Cognition & Learning</u></th><th><u>Social, Emotional & Mental Health</u></th><th><u>Sensory & Physical</u></th></tr><tr><td>★ Language Link ★ Speech Link</td><td>★ HAST-2 Spelling ★ School Dyslexia Screeners ★ Subject Baselines ★ Phonics Assessments</td><td>★ SEMH Trackers ★ Boxall Profile</td><td>★ Sensory Sensitivities Checklist</td></tr></table>	<u>Communication & Interaction</u>	<u>Cognition & Learning</u>	<u>Social, Emotional & Mental Health</u>	<u>Sensory & Physical</u>	★ Language Link ★ Speech Link	★ HAST-2 Spelling ★ School Dyslexia Screeners ★ Subject Baselines ★ Phonics Assessments	★ SEMH Trackers ★ Boxall Profile	★ Sensory Sensitivities Checklist	Information about the school’s policies for identification and assessment of pupils with special educational needs

★ Toe-by-Toe

- The school follows an identification of need process to determine if a pupil is having difficulties accessing their learning. This helps to identify their needs and is supported by using the Devon Needs Indicator Tool. The school can then work to identify provision and strategies that can help the children to access their learning.

Parent/Carer Questions	Key Information	Links to SEND Code of Practice (2015)
How do teachers help pupils with SEND? How will the school support my child? <i>1.What is the school's approach to differentiation and how does this support pupils?</i> <i>2.How is the school developing quality first teaching?</i> <i>3.What is the school's graduated approach to meeting the needs of pupils?</i>	- We have a graduated response to meeting pupils' needs, starting with Ordinarily Available Inclusive Provision (OAIP) for all children. Quality First Teaching is used to ensure all pupils receive the support they need. It also includes differentiated and personalised learning, and strategies to support every pupil, including those with SEND, encouraging greater inclusion of pupils with SEND needs, and working to narrow the attainment gap. - West Berry Federation have worked hard to develop Quality First Teaching as well as Adaptive Teaching to ensure that the curriculum is accessible to all children. - West Berry Federation have been focussed on developing their OAIP to ensure that there are strategies in place to support children to access the curriculum. Where there needs to be additional support in place, Targeted provision is used to ensure that the learning is accessible, Targeted Provision includes: individualised timetables of support, intervention programmes, specific resources to enhance accessibility etc.	The school's approach to teaching pupils with SEND

How will the curriculum be matched to my child's needs? <i>1. How does the school approach the identification of need and the matching of those needs to appropriate provision?</i> <i>2. How is learning planned for pupils with SEND, including group and individual adaptations to the curriculum?</i>	- If concerns have been raised about a child's learning progress, social and emotional well-being, communication skills or physical abilities, we use the Devon Needs Indicator Tool to document initial concerns and pinpoint specific areas of need. When concerns are raised, teachers will access support and advice from the school SENDCO and together they will work collaboratively with parents/carers. A child will be recognised as having Special Educational Needs or Disabilities (SEND) if they have a difficulty which: ★ Significantly impacts their ability to learn compared to peers of the same age. ★ Has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities. ★ Affects access to education, learning, or participation in school life. - Children with SEND may have an Individual Education Plan (IEP)/My Plan or a Relational Support Plan or Passport in place, this can be used to plan their personalised adaptations to the curriculum and to outline any strategies and resources in place to ensure access to the curriculum.	How adaptations are made to the curriculum and learning environment

	- Resources are allocated throughout school according to the individual needs of the children. The SENDCO monitors and evaluates the effectiveness of interventions and TA deployment in conjunction with the Senior Leadership Team. - The IEPs are reviewed termly and shared with parents/carers to ensure they are aware of the additional provision in place to support their child. They also have regular opportunities to discuss this provision with the class teacher and/or SENDCO.

How will the school know how well my child is doing? <i>1.How does the school track and monitor progress?</i> <i>2.How does the school identify aspirational outcomes and develop clear steps to achieve them?</i> <i>3.How is this information shared with parents/carers?</i>	- Children with SEND have an IEP, where appropriate, which details the provision they are receiving in school, as well as their current targets for progress. These are agreed and reviewed termly in consultation with parents. - Targeted support is set for individuals following appropriate assessments for their need. If required, discussions are held with parents and referrals may be made to outside agencies. - All teaching staff receive training from the SENDCO around target setting and IEP writing to ensure that the targets being set are aspirational and achievable as well as the provision being effective in supporting children to work towards their targets.	Arrangements for assessing and reviewing pupil's progress towards outcomes
How will I know my child is making progress? How do you check on this? <i>1.What are the school systems, processes and criteria for evaluating the effectiveness of its SEND provision?</i> <i>2.How does the school assess whether any additional support provided has had an impact on educational progress?</i> <i>3.How does the school know its arrangements are effective?</i> <i>4.How are Governors/Trustees involved in this – what are their responsibilities?</i>	- All children's progress is monitored through the year by class teachers. This is both formative, ongoing assessments, linked to learning activities and used to plan next steps, and summative assessment tests. - For children with SEND, there may be other assessments which link to targets on their IEPs, which are evaluated at the end of an intervention cycle. IEP targets are analysed termly to ensure they are well matched to children's needs and that the provisions in place have been effective. IEP reviews are sent home for parents information termly and these targets are constantly reflected upon in school. - The SENDCO monitors the effectiveness of interventions that are in place through learning walks, observations, and checking IEPs to monitor individual children's progress towards their targets. 	• The SENDCO meets with the SEND Governor termly to talk through the SEND Provision within the school and discuss good practice. The SEND Governor asks questions about the SEND information of the school to give the SENDCO opportunity to unpick the SEND Provision across the school. • The Trust SENDCOs also meet half termly to share practice and advice amongst each other. This provides opportunities for schools to develop their SEND Provision further.

How will my child be able to share their views? <i>1. How does the school engage pupils in decision making around provision for them?</i> <i>2. How are pupils supported to ensure their voices are heard?</i> <i>3. How does the school encourage the active participation of pupils?</i>	- Our schools engage pupils in decision making around their provision by involving them in reviews of their targets and including their Pupil Voice within their IEPs. We ask children for their views about learning and school life on a daily basis informally and additionally for TAF meetings and Annual Reviews. - Our IEP Pupil Voice questions are: - What is working well for you in school? - What would you like to change? - What do you want the adults at school to know about you? - West Berry Federation encourages the active participation of pupils through daily informal feedback and more formal pupil conferencing. These opportunities encourage pupils to express their views about their learning.	Arrangements for consulting with children with SEND and involving them in their education

How accessible is the school and how does it arrange the facilities children need? <i>1. Are their disabled changed and toilet facilities? Does the school have disabled parking bays? Have the auditory and visual environments been audited?</i>	- West Down School is wheelchair accessible, there is an accessible toilet which is also used as a nappy changing space for our younger children and for children who need support with intimate care. Blue badge holders are able to use the staff car park and are issued with a fob to open the back gate giving direct access to the school playground. See accessibility plan. - Berrynarbor school is partially wheelchair accessible and so we are flexible about how rooms are used to enable access to all pupils. There is no dedicated school parking but on street parking adjacent to the school can be made temporarily available to blue badge holders. There is an accessible toilet that affords more space (though it does not meet current standards) and this can be used to provide changing space and a more private space for children that might need intimate care. This toilet is also the only staff toilet. See accessibility plan. - Internal spaces at both schools have been remodelled (where possible) to provide a more appropriate classroom for our younger children that has better acoustics and access to

Families should talk to the child's class teacher if concern. If further support is needed, then the SENDCO can be contacted. The Headteacher will also be available if parents are concerned. - The class teacher is regularly available to discuss your child's progress or any concerns you may have and to share information about what is working well at home and school, so that similar strategies can be used. All information from outside professionals will be discussed with you with the person involved directly, or where this is not possible, in a report. - IEP's will be reviewed with your involvement on a termly cycle. - Pupils, staff and parents are expected to listen carefully and respectfully to each other. If a parent believes that their concern has not been resolved to their satisfaction or is of a more serious or sensitive nature, an appointment should be made to see the Head teacher, who will investigate and report back on the results of the investigation. - A copy of the school's Complaints Procedure is available on request from the school.
